## A Boutique Law Firm on the North Shore

“We pride ourselves on our large client base that comes mainly from referrals from other attorneys, who trust our skill and judgment.”

While their offices overlook Salem Harbor, the attorneys at Goddard, Scuteri & Delaney have little time to enjoy the view. Since 1986, GS&D has been representing select small businesses and individuals on the North Shore. GS&D was formed when Charlie Goddard, Jeff Scuteri and Tom Delaney joined together with the goal of becoming the foremost litigation law firm on the North Shore. With the introduction of Jennifer Scuteri and Laura Goddard, GS&D has added expertise in Estate and Business Planning, Criminal Defense and Domestic and Family Law.

**Personal Injury/Insurance Litigation and Defense:** Whether an injury has been caused by an auto accident, a defective product or some other negligent conduct, our trial lawyers have well-earned reputations among insurers for aggressively and respectfully obtaining just compensation for our clients. GS&D stands out from our competitors - we represent both the injured and insurance companies who want to defend these matters. This gives us unique credibility with our counterparts and with the Courts.

**Estate Litigation:** GS&D offers clients a team of lawyers recognized among their peers and in the probate court as being among the most distinguished, ex-

perienced, and successful litigators in the field of trusts, estates, and guardianships.

**Business Planning and Litigation:** GS&D has the experience and depth to handle all business concerns from formation to the negotiation and buy-out of partners.

**Estate Planning:** Whether it is a simple Will, a Partnership to transfer the family business to future generations or a Trust to protect your hard-earned assets from a Medicaid lien, our lawyers can design an estate plan to address any family's needs.

**Charlie Goddard**, a Hamilton resident, is considered the Dean of the Trial Bar on the North Shore and was appointed by the Supreme Judicial Court to serve as Chair of the Client's Security Board.

**Jeffrey Scuteri**, who also lives in Hamilton with his wife, Jennifer, continues to obtain significant client decisions despite the struggling economy. **Tom Delaney**, a Danvers resident, also persists in his successes in all courts in the Commonwealth.

**Jennifer Scuteri** advises clients on the ever-changing estate laws and works with closely-held and family businesses; she is also a Hamilton Selectman. **Laura Goddard** lives in Salem and has a significant following in domestic relations and personal injury.
